“ Charles and I want you to know how sorry we are for the loss of your loved one. We enjoyed visiting with him when he visited Houston when the Marks celebrated at Poncho's house. Take it one day at a time and never forget the love that he had for each of you and know that he will live forever in your hearts.

“ Glenn became our brother through our Brother in law John Henry. When a celebration was scheduled, John always would say-Glen coming. So we saw a lot of Glen. Loved talking, laughing with him. Will miss him dearly. RIH

“ Our condolences to the Johnson family.

When we think of Glenn, we remember what a good heart he had and how he was always willing to do for someone, He was a happy person with a memorable smile and laugh. We didn't see him often, but he would always go out of his way to show us a good time whenever we came to town. He will be missed.

In sympathy, prayer and much love,

“ Forever and Always in my heart, mind, and soul. I will always remember my big brother who was there for me no matter what the situation. He was my identity since I was known mostly as “TRUCK’s LIL SIS”
Party on Big Brother, I know you are partying on those streets of gold.
