“ Ms. Jackie and Ms. Lurene have been part of the St. Paul's Episcopal School family for many yeas. They started attending out senior computer class after Hurricane Katrina and have been faithful "students" every Friday morning. Our children learned to love and respect them, and the children probably learned more from them then our wonderful ladies learned from their student teachers. Ms. Jackie and Ms. Lurene attended our school assemblies, Grandparents' Day celebrations, school plays, Thanksgiving Feast, and so much more. We are saddened by their passing, but happy and blessed that we had the opportunity to meet, know, and grow to love these incredible ladies. We are richer as a school community to have welcomed them into our family. We will never forget you Ms. Jackie ans Ms. Lurene!

“ I am so astonished to learn of the death of Laurene. She was true a good friend to my mother the late Olivet Bowles and myself. She was a pleasure to see at Connectional meetings because she was someone who knew my mother. I know she is playing music in the sky.

“ To the Family of my Dear Lay Sister Laurene Barbara McMillan. It is indeed a honor to extend my deepest sympathy for your departed loved one for we served together on the Connectional Lay Organization for 16 years. I regret that I did not know Jackie had transitioned also. I am surprised Laurene did not notify me. I will just imagine she was still mourning. I tried to reach Laurene several weeks ago to see how she was handling the COVID19 pandemic; however, the number I have programmed in my phone did not work. Now, I understand why because that was June and she was already resting in peace. My prayer for those family members remaining is that you will remain faithful, Stay In, Stay Safe and Stay Healthy. Our God is still in control of His world and we are covered in spite of the enemy's attacks.. Hallelujah and Amen!

“ Lorene was a dedicated Layman and served faithfully as secretary on the Connectional Level of the African Methodist Episcopal Church. It was always a pleasure to greet her at the conventions. It was years before we learned that we were sorority sisters. Rest well my sister. The Doves are with you.

“ Laurene was a dedicated sorority sister who took pride in serving her community. Alpha Gamma Zeta Chapter could always count on Laurene and her sister Jackie to assist wherever needed. They were like two peas in a pod. To see them working together on various projects was expected and admired. Their love and commitment to each other was evident. May they rest peacefully together with their Heavenly Father.

“ What a sincere servant of God. The more I participated with her in various activities, the more I learned about her dedication to service. As a member of Zeta Phi Beta Sorority, Incorporated, she was always available to assist no matter what the event. I will cherish the memories I have of being with her. May her soul rest in peace.

“ It saddens me to lose such a wonderful person as Sis. Laurene McMillan. Sis. McMillan was my 9th grade Math Teacher at McDonogh #35. Then later in life, she became my church member, Missionary Sister, mentor and friend. I hold many fond memories of times spent together.

My prayers are with her family for God's strength and peace, as they must handle the loss of their loved ones. Earth has no sorrow, that heaven can not heal.

“ We're shocked and saddened by the death of Laurene and her sister, Jackie. They were ever together in life, and only death parted them, almost simultaneously. Their church work and civic contributions were legion. They helped to improve our community in many ways. Both will be greatly missed, but long remembered. The family while bereaved today, can be strengthened by the knowledge that God knows and comforts His own.

“ Hello Dr. Cassimere: I was happy to see your name. We attended UNO together, back in the beginning. I left UNO in 1961, to go in the USAF; while y'all were beginning the Civil Rights Fight. I hope you & your family are doing fine & healthy.

“ To this family, I worked alongside this dear lady, at Colton Junior High School. She was a very quiet soul, but, I remember her saying that, she loved SATIN SHEETS. So SATIN sheets , became my greeting to her.

“ Ms. Laurene McMillan you are truly going to be missed. You were the best Debutante and Masters Commissioner there ever was. I enjoyed working with her 20 years. May God give the strength to go on.

“ Absent from the body is present with the Lord! Death leaves a heartache no one can heal, loves leaves a memory no one can steal.
I will always cherish our memories and hearing her say these words, "Mighty Nice " when it met her approval. To know Laurene ,was to love her.
