

Michael Judson Riley

September 24, 2020

Michael Judson Riley, a beloved husband, father, and grandfather, went to his eternal rest on Thursday, September 24, 2020 at his home. Michael was 60 years old. He was born on April 12, 1960 in New Orleans, Louisiana to Fate Riley and Ruth Moise Riley. He graduated from Johnson C. Lockett Elementary School, McDonogh 35 Senior High School, and attended the University of New Orleans.

He began his career of service as an orthopedic technician at East Jefferson Hospital. After realizing that wasn't his calling, he joined the New Orleans Police Department. Michael dedicated 32 ½ years of service to the people of New Orleans. Most of his career was spent in the 5th District. In 2015, Michael retired from NOPD as a detective in the White Collar Crime Bureau. After a very brief retirement, he became a Court Security Officer at the Eastern District of Louisiana, US District Court.

During both careers, Michael received numerous accolades and awards for his outstanding service to the community. In addition to having a successful career, he was an active member of different organizations in the community. He was a proud member of the Xavier University Preparatory School's Dad's Club, serving as the president of the club for numerous years. He was an active member of the Beau Brummell Club, Inc., serving as the Recording Secretary. Michael sang in the church choir and was an active member of the Men's Ministry at St. Raymond and St. Leo the Great Catholic Church. He was also an active mentor of the Boy Scout Troop #185 and the Fraternal Order of Police. He belonged to a Parliamentary Club in the Greater New Orleans area. Michael Riley will be remembered for his dedicated and loyal services to his family, his church, his community, and the New Orleans Police Department.

Anyone who knew Michael knew how much he loved and cherished his family. He was a loving and dedicated husband, father, and grandfather. Mourning his loss is his beloved and faithful wife of 30 years Deidre Keyes Riley; children Danielle Riley, Megan Riley, Melissa Riley, and Gabrielle Riley; his beloved granddaughters Dayanna and Da'Nay Garner, and McKinlee Heidelberg; siblings Theodore Riley (Anna), Carmen Riley Bazile

(Gregory), LaVerne Riley Price (James), Harrison Riley, and Lawrence Riley (Yolanda); devoted Mother-in-law Brenda Lawless Keyes; brothers-in-law Charles Keyes (Angela); Todd Keyes; sister-in-law Stephanie Keyes Butler (Leon); god daughter Dhehir Kelly; and a host of nieces, nephews, cousins, relatives, and friends. Michael was preceded in death by his mother Ruth Moise Riley, his father Fate Riley, and his brother Vernon Riley.

“ To the entire Riley family, I send my deepest sympathy. As a resident living on Feliciana St., I grew up with the respectable Riley family. Michael was and to my knowledge, had always been soft spoken and mild mannered. When ever I would meet him, he greeted me with kind words and a smile. I'm sure he will be missed by many and I'm just glad I had an opportunity to meet him on his journey called life. May Michael rest in eternal peace and may our Heavenly Father grant peace and understanding to the bereaved family!

Sending Love and Prayers ,

“ I haven't worked an event with Mike for a long time now, but when we did, I always felt safe and protected, even if it was just him by himself. For my productions, outside events, and the school's evening events, it was always calming for me to know he was there. When students' parents were late picking them up, Mike would stay with me until everyone had gone. We did not do a lot of socializing outside of school, but I will always remember him as my kind and protective friend. I will miss him tremendously. We have lost another mighty oak in our forest.

“ What a kind, generous person Mr. Mike was. We were so honored he had joined Troop 185 to assist the boys in their growth and leadership. I had several conversations with him - his deep love of his family was always evident. I know he will be missed. My sincere sympathy and condolences to his wife, children, grandchildren, and family.

“ My sincere condolences to Mike's family, Mike was that kind of individual who displayed a calming and level headed nature. To work with Mike is to know someone with a love of people and his city. His family was first in his life and he treated any encounter as he would of his family. Mike left a shining example of what all men should strive, God bless.

“ I never knew him personally, but his wife taught math at the school I'm currently attending. During the time I've known Mrs. Riley, I have grown to love and care for her, and am hurting for her and her daughters at this time. I pray that God opens the gates of heaven to his child. This family has my condolences

“ My dearest, I'm having such a difficult time in finding the words to express the sorrow and grief that your god daughter Erika Davis and I are feeling at this time. You have been such an example for us both in the way you lived your life, such kindness that you shared with everyone that you met was rare in today's world. You were the loving father and husband, you gave the unselfish gift of your time in serving your community and church just as our Savior did for His fellow man. Rest well in the arms of our Heavenly Father as a one of the choicest spirits who has truly been faithful in all things required of you. We will forever keep you in our hearts never forgetting how your compassion touched us all.

“ Well Big Guy, your work here is complete and you have earned your wings. It was such a pleasure, working, those many years, on The Police Department with You. The many times we spoke of our Megans and your bonus Mellissa!. We even shared cooking tips. I remember when you were thinking about retiring, the many calls, because I retired before you, about what to expect. You were so devoted to your family and anyone that had a conversation with you felt they knew your entire family. I know you are gonna be missed by everyone who crossed your path. To Deidre and your kids just know your husband and Dad was a wonderful person admired by many. May God bless and keep you during this difficult time

“ CSO Riley was always so kind and helpful to me at the Federal Courthouse. May his entire family be blessed and comforted by fond memories during this difficult time.

Tamia Gordon - September 29, 2020 at 11:58 AM

“ It saddened me greatly to hear of Mike's passing. He always greeted me at the courthouse with a warm smile and kind words, asking about my kids and showing me pictures of and speaking with great love for his children and grandchildren. But my sadness over his passing reminds me of how blessed I am to have met Mike, and to have shared so many friendly conversations with him. Please remember: "Blessed are those that mourn, for they shall be comforted." Matthew 5:4. My sincere condolences to Mike's family and friends.

“ Poem for Michael J. Riley

Faces of old and faces of new, people we know and people we knew.

Working together then drifting apart, Now an earthly ending and in Heaven a new start.

From the NOPD and U.S. Marshal's Service with many Stories yet to Be Told, God said to Michael it's time for you to "Come Up to Heaven and Be on Patrol"

An Awesome Husband, Father, Grandfather, Warrior and Friend Who fought the good fight all the way to the end.

Michael had so many quirks and sayings that will carry on into the next generation and the life after, but most importantly I know he would say to all of us right now when you think of him there is no guilt in laughter.

So the following words I share are for us all to remember – Michael

Feel no guilt in laughter, he'd know how much you care, feel no sorrow in a smile that he is not here to share.

We cannot grieve forever, he would not want us to, he'd hope that we would carry on the same old way we always do.

So, let's always remember the traditions, good times and the way Michael showed us all that he cared, and focus on the days that were spent together with him and all the special moments we shared.

Let Michael's memory surround you, a word you may hear someone say, will suddenly re-capture a time past or an hour in a day.

That word or thought brings him back so clearly as though he was still here, and fills you with feelings that he is always near.

For if you keep those moments, you will never be apart, and Michael will live forever locked safely in Your Heart.

Love and Prayers,

John H. Schmidt (DHS-Homeland Security Investigations)
