“ I am so sorry to learn about the death of such a great man. I didn't know him but knew one of his children, Mrs. Margaret Pulley-Johnson. Mrs. Pulley-Johnson was a long-time mentor at NOPS and sponsor of the SSAC (Superintendent Student Advisory Council) where I first met her in 1993. She also hired me as a CEO student from Warren Easton FSHS. She is an amazing woman that I grew fund of. She was caring, nurturing, fun and able to work with some very trying students while keeping her composure. If Mr. Pulley had anything to do with that, I KNOW HE WAS A GREAT MAN WHO RAISED A GREAT DAUGHTER.

The Pulley family have my deepest condolences and I hope that his memory forever comfort them and put a smile on their face whenever needed.

Much love.
