“ So sorry I didn't know Cousin Albert had passed away. The Alton Wells Family grieve the loss of Albert. I shared a conversation with him about a week and a half before his passing, therefore I was stunned. He kept in contact with all of his family and felt very strongly about our children knowing each other. His exact words were, " when our generation is gone so are the family ties". I'm trying to contact Albert's immediate family. For the siblings, we are two brothers children. I will never forget all of you that I knew. My phone number is (919) 424-7491. My grand daughter is in touch with Kannard also. I hope to hear from my family soon.
Much Love,

I was deeply shocked to read about the lost of my classmate, Albert Wells . At our recent class reunion, I was surprised not to see him. He was indeed a Washingtonian and will be missed. My heart felt sympathy goes out to your family. Earth's lost but Heaven's gain.
