*The Gordon, Spencer and Chinn Family would like to send their prayers and love out to the family. Father God we pray that you be their rock and their strength. They do not understand why this happened. This family knows you have a plan for each of us. But right now they are hurting, and that hurt runs deep. Lord, I know that you will be a comfort for them, and my family prays that you continue to be by their side through this time. It feels right now like this hurt will never go away. It feels right now like they will never come out of this pain. Everyone keeps saying that time will ease what they are going through. They may feel angry. They will feel hurt. They will feel alone. No one knows if time will help or heal them, Father God they do know you will. We can not imagine them going through this without you holding them up. We pray for your cover for this family.*
