“ Mrs. Lydia Bagneris - It is my prayer that God will give you all the strength that you need to get through this difficult time. Please know that only God can wipe away your tears and give you strength to heal you from the inside out. Continue to look to the hills from which cometh your health, strength and wisdom.

“ Alex and I worked in close contact for many years. I retired almost six years ago and missed talking with him. I encourage the family to try and remember the good times and know that time will heal all pain.
