“ Please accept my condolences on Randy's passing. He was well liked during his time here at the NJ SBA district office. I always enjoyed chatting with him both while he was here and after he retired..Rich Zilg Deputy District Director.

“ I'm probably the only person in the world who called him "Alley" instead of "Randy". Whenever we saw each other we would laugh the whole time! LOL! He was such a great story teller. He was my cousin by marriage, but we considered each other family none-the-less. He helped my husband and I so much when we were just starting out with our business when he was with the SBA. I will ALWAYS love and miss you Cuz. You were one of the best people I've ever known, Alley. Love, your cousin, Beryl.

“ My deepest sympathy to Randy's family. Randy and I worked together at the SBA's office in Newark, NJ. He was the Deputy District Director and I was the District Director. We enjoyed a great relationship both in and out of the office. At his first Christmas in NJ, he came over to our home and shared a Christmas meal with my family and friends. Randy was always a gentleman and treated his employees fairly.

May he rest in peace.

“ Please accept my heartfelt sympathy on the loss of your brother Allison. I will always remember visiting your parents home while we were all in school together, the fun we had, and how much Randy would tease us. Ann, Penny, Vaughn, I hope all of you are well. I will be unable to attend the funeral since I no longer live in New Orleans but my prayers are with you all.

“ I'll always remember how courageously Randy handled the devastation of Katrina. I watched how graciously he dealt with his personal losses and how unconditionally supportive he was with his family and friends as they faced their uncertainties. I got to experience why Randy was always the go to person whenever there was a crisis. I learned so much from him about how best to face life's setbacks. Randy was a one of a kind, special friend whose infectious smile will never be forgotten. May his soul finally rest. Let his legacy live in these words "never, never, never give up".
