“ You were the best to me and one reason why I'm spoiled Rotten... . You scaraficed all the time to make sure others had what they needed. Most summers it would be me and you Id get dropped off early you wouldn't let me go back to sleep because you fixed breakfast for paw paw b4 work ... Every friday was fish friday for lunch 😊 you would pull out that corn meal and cut up some potatoes as French fries But it really wasn't until I had Daneia that me and you grew closer you gave me so much advice about her up bringing an how you use to do my Dad and Uncle Willie (Rip) ... If I ever needed help you provided when I needed a babysitter at the age of 86 you were still on your toes doing what most could not.... This hurts my hurry more than I could ever imagine... But your work on Earth is done and I know that smile I always looked for when I took your picture (which I never got) Lol was probably all over your Face when the Lord called you home to his Glory .. I can go on on about the strong God fearing women you were but I'm going to .. Selfless for a change and not mourn but rejoice for you.... Forever your 1 and only Grandaugther Dèlon
