“ *Andrea always thought of others more than herself. After I had foot surgery she brought me lunch and talked with me for a while. I really appreciated her visit.*

*After she retired from the Air Force she would stop and visit with the Airmen. Sometimes she brought cookies or cupcakes for everyone. She loved Red velvet cake and the color purple. Her shoes always matched what she was wearing.*

*Andrea had such a gentle soul. Always smiling, always caring.*

*She is my friend.*

*"Some people come into our lives and quickly go. ...Some stay for awhile and leave footprints on our hearts, and we are never the same." author unknown*
