“ *My father Andrew was the best father a person could have. He was in my life from day one and did the best he could to keep his family happy. It was important to him that i celebrated his home-going and i did just that because he would not want me being sad or worrying about anything. He may not be here physically but his spirit will never leave my presence..... I love you pops, your son Romalis*

“ *Hi Love, This is your wife. We had 34 wonderful years of everything. I mean everything. And it was all good. The UPS and the downs. And we knew that GOD was always there, because that's how we made those long long long draw out years. And it was worth every day. Now your time is done here. And God has called you home. Now all I want you to do is RIP in Jesus Name. Amen.*

Your Wife, Vivian
