“ *Melanie, you and your family have our sincere condolences in the passing of your mother. I still cherish the time that I had the great pleasure of meeting her and your grandmother many years ago. Both of them were very classy, spirited ladies - traits which you inherited, as well. I know that you will miss her very deeply and we are praying for all of your strength. I love you!*

“ *Dear Melanie and family....your mom was a fine lady....I remember you telling me how Miss Angie could not figure out how to fasten the seat belt on the senior citizen bus - of course all the old men went to help the new lady. She would not let me color her gray black. She said "make it spicy and red" - we did. You and your family were blessed to have had eighty plus years and I pray God gives you all comfort in her loving memories.*

“ Melanie, Rita and Wendell your loss is felt in Pennsylvania. I remember when I met, Ms. Angie, your mother only a few years ago. While her years of wisdom had worn her hair grey she was spirited, sharp, stylish and quick witted. I was amazed how she could navigate a computer system then better than I can now. Until her I didn't know the phrase, “two bit change”, lol. You have been blessed to have your mother for 80 years. Cherish the memories she leaves behind and know that you were good children to her especially over the past two-three years. I know if she were able she would have told you how much she loved and appreciated you all and everything you've done for her. I'm sure your grandmother and father met her at the gate, praise be to GOD. I pray that at some point you will be able to rejoice in knowing that they are all together.
