“ *I am sharing condolences with the family of Doris Goins over her passing. She was such a wonderful person and had a very uplifting spirit. I was so blessed to meet her at the Exercise Class at Touro Hospital for Seniors. She was such an inspiration for me as well as others in the class. I thank you, Katrinka for allowing me to visit your Mom when she was no longer able to participate in the classes. I truly appreciated and enjoyed the time I was able to visit and spend with Doris and Mr. Ellis. Together they are resting in God's arms and may their spirit of love remain in your hearts always.*

“ It was a pleasure to meet Doris when she first arrived in New Orleans to attend Xavier University. She lived at my grandmother’s home like a member of the family. We loved her kindness and jovial personality. We also loved seeing her at her happiest when she started dating the love of her life Ellis— may they meet in Heaven.
