“ *Sending my condolences to the family. I love each and everyone of you and I thank God for the life of Annie Mae. Even though we were cousins we were raised as sisters and brothers. We played together, ate together, laughed together and cried together. As we grew older we were taught to always put God first and remember to pray. So I say to my family today remember the good times and remember that God doesn't make no mistakes 🙏. We also know to be absent from the body is to be present with the Lord. Remember we will see her again. Be blessed. Cousin Myliene Magee and family.*
