“ To the family of Audrey Charlot, I send my prayers and condolences. We worked together over 20 years and my children loved her too. My son especially loved Ms. Audrey because she entertained him at the office when he visited. She will be sadly missed. She reminded me of my mother, caring, sharing, strict, humble, always helpful in every way.

We'll missed that smile too. Rest peacefully. Terrye Braden and family

“ So sorry for the loss of your mother Audrey. I came to know her because she was the Realtor who after almost 2 years on the market sold my house by her constant efforts to get it sold for me. I only met her once because I live out of state, but we had frequent conversations over the phone.

May she rest in peace and may God grant your family peace in your time of sorrow.

“ Audrey was a warm and loving person that took to me when I first became a Real Estate Agent with Latter & Blum. Most agent doesn't have time for new agents, but she did. She helped me in many ways and I appreciated her help. In recent years she had been going to church with my sister and always asked about me. That is just the type of person she was. She has always been a special person to me With deepest sympathy to her family; I know she will be missed.
