“ Our deepest condolences are offered to our neighbor in Alexandria Louisiana. Ms Moline was a quiet neighbor. Through her we developed life long friendships with Mrs. Mabel Wardell, Celeste, Denise, Jerry, and Paul. We had many fun summers together. May you know that we are praying for you and are hear for you. May God give you comfort and strength. Much love from the Ellis family. Bertha, Sharon and Thomas Ellis, Jr.

“ I met this beautiful spirit 10 months ago through her awesome nephew Jerome (Jerry). From that time, I have gained so much wisdom from her words and from her smile I realized there is so much to life. For her age and maturity she still found the time to encourage, inspire and love those around her inspite of her condition.

My memory of "Nanny" is when upon visiting New Orleans with Jerry, we picked her up for early morning Mass, she talked the whole way going, about life. She enjoyed the service, the music and the people. She spoke about the importance of us as young people being into church and having a church home. She told Jerry "I feel like a waffle this morning, lets go to the Waffle House" so we all went to the Waffle House. Filled with excitement she spoke about memories, people inside and outside the restaurant. We shared so much laughter. She was so excite to be out among the living. In her voice and hugs, you knew she was love and is loved. Her wisdom will not go in vain and her memory will forever be in my life.

I love Nanny and she will always be missed and always forever be in my heart.

I Love You Nanny,
Karen Cobin (Your South Carolina Girl)
