“ I met Ms. Muse when we worked on the Language Arts Cadre and from then on we were friends. She had a great passion for teaching and held on to the ideals of how a teacher should dress. She always wore stockings. I loved Ms. Muse and will always think of her. I never forgot the saying she taught me, "Once a task has begun, never leave it until it's done. Be the task great or small, do it well or not at all." Well done, Ms. Muse. Well done!

*I was on the Language Arts Cadre with Audrey. I will always remember her exemplary work ethic. She was a great example of what an educator should be.*
