JH

“ I met Barbara in New Orleans in 2017. We stayed close friends until this day. She was always there with words of encouragement and love. We could be ourselves with one another. I am at a loss for words to accurately articulate just how much she impacted my life and helped mature my faith in Christ. I sincerely look forward to spending eternity with her in our Lords presence.

“ Barbara & I ministered at nursing homes for several years in the early 80's. She would share an encouraging message & I played piano & we all sang together. What JOY she brought to those who had no family. enjoyed hearing the Word of God, and having a personal prayer with each of them. Teen Challenge was ingrained in her heart, she wanted so much to help those who were addicted. I wondered what happened to her when I called and heard the number was disconnected. I know where she is now, in the loving Arms of our Beloved Father. May she rest in peace and may God comfort her family.
