“ I am heartbroken that my Aunt Bertha has passed on. She was the last of the nine children born to Willie "Bip" & Bertha Hughes in Canton, MS. Whenever we were together, the first thing she reminded me off was that she named me, and she wanted to give me a name that was unique, and described how special she thought I was. I loved that about her, because she always made you feel special. I always enjoyed talking with her about our family ancestry that only she could share. I was so excited and looking forward to fellowshipping with her at the Family Reunion planned for this coming August, but God had other plans. I'm going to miss my Aunt Bertha, but I know God knows best, and he doesn't make any mistakes.

Love to Aunt Bertha's immediate family

“ Glenda, whereas I didn't have an opportunity to meet and know Mrs. Bertha, if she was ANYTHING like her daughter, I know that she was a beautiful person with a tremendous heart and spirit. It is my sincere prayer that God will grant you and your family the grace, strength and peace that you need to get through this period of bereavement. Remember, if you need me for anything, please call.

Kindest personal regards,

John Tatum, " your" Minister of Music, First Baptist Church of Hamilton Park, Richardson, Texas
