“ Mrs. Batiste,
All I can say is---WOW!! When I think of you, I think of our love/hate relationship during Biology class at Helen Cox. I've vividly hear you saying "Mr. Raymond, I've given you an appreciable amount of time to finish your assignment, you chose to use your time talking". I also, recall you being extremely nurturing and caring towards me -- in spite of my rough attitude. But, eventually you got through to me. Moreover, You taught me to keep my head high and never to settle for mediocrity--for that I unequivocally, thank you. Mrs. Batiste I pray that heaven is just as beautiful as you are. Rest Well and enjoy your new life "Beyond the Wall" .

With respect,
Darius D.W Raymond
