“ To Stephanie, Valerie, Phyllis, Cassandra and the rest of Ms. Betty 's children "earth has no sorrow that heaven cannot heal". I just read about Ms Betty Moon's passing on today and so many wonderful memories about your mother flashed through my mind. Please know that if I had known about her passing earlier, I would have been by the family side because I feel that I am a part of the family. I have walked in those shoes and I cannot promise you that you will forget or you will not cry, but I can assure you with God on your side, He will ease the pain day by day. I love you all. “ We can remember Betty Moon in a special way; me, her and my friend, Sheila. We would be sitting in Jack's Bus Stop Inn on Hickory & Leonidas just drinking, laughing & talking. Betty would talk that talk, walk that walk and do her dance. As soon as we would see her coming up the street, we'd say "here comes Betty Moon". We never called her just Betty, nor did we ever call her just Moon, she was always so affectionately called "Betty Moon".

May She Forever (R.I.P.) Rest In Paradise;

With our deepest sympathy to: Nathan Sterling & The entire Moon Family, May GOD Bless & Keep All of You.
