“ *Bev was such a consoling spirit! She and I were in pharmacy school together, and a lot of times we studied together for exams. Even WAY back then - and even though she was only a couple of years older than me, she always offered such wonderful wisdom. A gift that she continued to impart to me over the years. We did not communicate or see each other often, but her spirit was always with me. I will dearly miss the presence of it. I will love you forever Bev and God willing, I will see you again. Patric*

*Sorry for your loss. My prayers are with you.
May you find peace and comfort knowing that
she suffers no more. To be absent from the
Body is to be present with the Lord.*

*I will always remember Beverly. She was a great person, classmate
and most of all, she could really play basketball at Saint Anthony's
High School in Washington, DC.*

“ To Jackie, Cecilia, Joanna, & Bernard:

My most heartfelt condolences in the loss of your sister, your mom, and close loved-one. I was so very saddened when I heard of the loss of my good friend Bev “DC” Washington Griffith. There are so many great & wonderful memories of growing up in our old NE DC neighborhood and playing many years of b-ball & softball together... but mostly I’ll miss a very dear friend that regardless of distance or time, remained true & trustworthy. Though the sorrow of her passing may seem so painful at times, cherish & hold dear the warm & special memories God has allowed you to have...& remember: Earth truly has no sorrows that Heaven cannot heal!

*With much love,
Pat Nelson*
