“ *This is Nikki, Kathleen's (Malkia) daughter. Some of my fondest memories of Brian is from the late 1980's when he lived upstairs from us on Arts St. Megan was just a baby. Brian used to sit outside on the hood of his car, beer in hand, laughing as he watched me and my fiancé sparring in the front yard.*

*Will always love you Cuz!*

“ I want to share and express how great of a friend, and also my co-worker Mr. B was to me. I missed you today I miss you tomorrow tears in my eyes and my heart full of sorrow I hold on to the memories of the great times we had I grieve for what I lost a great friend, and father figure, that I had. I am grateful for the 2 years God allowed Mr. B to work at our school, laughs in the hall or classroom, you will be miss. Not knowing that last Friday we all was talking in the hallway and you passing by my classroom saying bye Mrs. Frank was my last time to seeing you. Didn't know God was going to call your name. In life we loved you dearly, in death we do the same. Our family Frank/Hicks and (Tom Benson) chain is broken and nothing seems the same, but as God calls one by one the chain will link again. Take your Rest Mr. B you left me with great memories and will forever cherish our friendship.
