“ I was one of the few civilians on board Mr Moret's penultimate flight as pilot of a twin engine aircraft. At 90 years of age, he took off, dipped wings and landed ("smooth as butter" Cedrick reporting) at Lakefront Airport in August 2015. It was an heart warming to watch his eyes light up behind the "stick", taxing down the runway, zipping off into the blue and landing captain and crew safely....

He showed the joy of a boy getting his own brand first new bike on Christmas morning.

Mr. Moret's final flight crew will be with a host of angels navigating on high to a better place...a better place with him present and accounted for!

“ *To the Moret Family,
I'm so sorry to hear of Mr. Calvin's passing. I
cherished the time I shared with him during
my job as a truck driver and Warehouse
Manager at The D & W Paper Company. He
was one of the kindest gentlemen that I ever met, and he always
greeted me with a smile and a pleasant greeting. It was always a
pleasure delivering to Moret Press. Mr. Calvin was a humble true
American Hero, and I salute his History making service to our
Country. He was a true Patriot! My family and I will keep the Moret
Family in our Prayers, and may God give you strength during this
trying time.*
