“ My condolences to the family at such a hard time. Mrs. Cheryl was a great woman and role model. She was definitely a great fill in mom when you couldn't be around you're biological mom. I wish you were still here in this physical life but I understand that god needed you more. Your work here was done and god said "job well done thy good and faithful servant". Our angel got her wings and what a blessing it is to know that she'll be looking over us. I love you and you will be sadly missed. From Treva and her family
