“ Cheryl was a cherished neighborhood figure by my young children.
When live music played, Cheryl danced with my kids. She had both
a lightness to her as well as the strength of an accomplished and
dedicated social justice warrior. She was modest, generous, and a
natural teacher, leading by example. I mourn for our community to
have lost such an important and unique person, and pray for healing
for her family during their time of mourning. As stated in Proverbs,
the memory of the righteous is a blessing.

“ Dear Archon Charles Teamer and Family,
We are sorry to hear of the loss of your dear loved one, your daughter. It was the Ancient Egyptians who said that if we should keep the names of the deceased on the tongues of the living then it would seem as though they have not departed this good earth. My Archon always says at our family funerals that, “We never ever have to think of our loved ones as having passed.” Prayers help to heal from grieving. Do grieve as long as is necessary. With the passage of some time, life once again will seem normal.
Respectfully,
Jacqueline N. Cotman, Archousa Gamma Omicron Member Boule’

“ *Brother Teamer & Family,*

I would like to express my sincere and deep condolences on the loss of your beloved daughter. Words are the best that I can offer though they be of small comfort. May God console you in your time of bereavement and in all the days to come. In the immortal words of the poet John Milton:

*Leaves have their time to fall
and flowers to wither at the north wind's breath
and stars may set and all,
thou has all season for thine own, O death!*

My family and I grieve with you.
