“ *Have you ever seen the joy of the Lord? I have and if you know the lord you have seen it as well. My cousin Christy has always exhibit this from a child up. Christy could enter into your presence and found you sad or depressed and down and out and immediately you would forget all of that and put a smile on your face. That is the type of person Christy was filled with and had the look of Joy. God's joy comes from the inside; its oil seeps out to create the glow. Isaiah 61:3 KJV*

“ Met Mrs. Francis as a specialty physician at Ochsner. She was truly a champion for her LORD and Savior Jesus Christ. Despite her battle sh always gave God the glory and found the good in everyone. She was a joy to care for. We kept in touch long after my care for her in hospital and shared many hopes and dreams for our children. I will miss those long conversations with her, but I know that her pain is over and she is celebrating in heaven today. We will meet again someday.

To her family I fell I know your from our long conversations. I know you feel the loss, take comfort knowing that she is now cradled in God's arms and she would want you to continue on with your strength in the Lord.
