“ *Clem and I were roommates in my 2nd year of college at Southern. Clem and I were model, we got saved by the lord. He became a Kappa but I told him that the lord was my Kappa. We went to gospel concerts at LSU. He was a wild and crazy roommate and he was part of the Natalie Cole fan club. He was crazy about some girl name Frankie from high school that broke his heart. He was truly a great and out going person. We had dance and dress up contest to see who can out do who.*

I just learn of his death this weekend.

He will truly be missed. My good friend "Lil Daddy"

“ *I remember when clem and I performed for the talent show and I sang congratulations by Vesta and we won first place. He had a ball doing that and we had a great time. He was like a uncle to me. Rest in Paradise.*
