“ The special memories of your I'll always bring a smile if only I could have you bk for just a little while. Then we could talk again just like we used to. You always meant so very much & always will. The fact that you're no longer here will always cause me pain. But you're forever in my heart until we meet again. My prayers and condolences to his entire family! I'm so sorry for this loss! No words can help in this situation. Rest on Cory, until we meet again I love you baby! Always!
