“ *God decided it was time for his child to come home on Sunday afternoon. So, he sent the angels to bring Dan home. My prayers are with the family, especially his mother because no parent should have to bury a child. My friend/cousin, I will miss you dearly but one day we'll see each other again. God Bless and keep you always. Brian K. King*

“ RIH Dan Anthony 💔💔💔. A Light that will shine Forever. To this day, as I read, and still reading updated posts everyday, you were a powerhouse for many, many friends and acquaintances. You were loved by all that came in contact with you, and thats powerfull. But, you knew God and that God is Love, so you just followed his direction. “In order to be a friend, you must show yourself friendly”. It’s evident that you had so much love to share. You gave them an everlasting love; neither death nor life can never replace. You showed us every thread around the town describing it as “moving in silence”, then you were out. I am so happy to know that you was LOVED and gave LOVE. Dan’s last message to everyone was “VOTE”, as he was so ready to VOTE President Kamala Harris. ❤️❤️❤️ you Dan, take your rest💔💔💔💔
