“ Daniels Family,

It has been an honor to know David and he will be missed. Know that your family is in my family's prayers.

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.

“ *First of all I would like to send my condolences to my Aunt Mary, Keisha, David, Keirand, and my Aunts and Uncles. I have a lot of memories that I could share, but two memories really stick out. Years ago when we all met all my Grandpop Ben's house in South Carolina, my Uncle David convinced me to trust him to teach me how to swim. Reluctantly I trusted him. By days end I was swimming laps!!!! My second memory was when he first went into the hospital and I talked to him on the phone. He said, "what's up Bruh You have a very beautiful family.. Always make sure you take care of your family". Those words will always stick with me. I Love you Uncle David and you will be truly missed.*

My heart is broken to hear of the loss of my cousin Dave. I know that he was not only a great man, but a power example of what life can be if you step out on faith and accept the challenge to live the life God has planned for you. Though we haven't spoken for many years, he has always been in my thoughts, as are all of my loved ones and I have so many fond memories of our childhood. Don't cry for Dave, for he has run the race as he should have. When he meets God he can rest in that assurance. It is left to the rest of us to do the same. Rest in peace cousin, Love always, Priscilla.
