“ It is with such a heavy heart that I am sending these condolences to "Miss Debra's" family via a computer. As both Hartnett and I have been infected with the COVID-19 virus, we feel compelled not to be in the presence of others today. Miss Debra has done so much for my family over the past 38 years and it saddens us not to be able to attend. It only heightens the reality of this virus. Please know that our thoughts and prayers are with the entire Delpit and Bart family. We have lost a REAL angel.

*With Love,  
Rolanda and Hartnett*
