“ To my Sister In Christ, Constance Fletcher, I send my heartfelt condolences, love, and spiritual support to you and your family members. Even though we’re miles apart, you are near in my heart! When I read Deborah’s obit and saw her photo, I saw the “twin” image of you, not only in the physical sense, but also the diligent (work ethic) you both committed to your respective careers. I’ve never met Deborah, but I know her through your image. What a wonderful legacy she has left to be emulated! Lord God, I pray that you strengthen Constance and her family during this very difficult time and provide to each of them all that they need to endure the loss of Deborah, AMEN!
