“ *Derrick was always kind to me. He was my neighbor and he would always watch out for me. He worked so hard mowing peoples lawns and always talked about saving up for a food truck. He painted my house and I continue to get compliments on the work. He would always talk about his Mama. He knew how much she cared for him. One time I heard him singing on his porch. He had a beautiful voice. I hope he's singing with the angels now. And that he's feeding them in his Heavenly Food Truck. My sympathies to his family.*
