“ To the Family of Diana Plummer, my sympathy and love to all of you at this sadden time of her transition. Many memories through the years as one of her classmates at WaLoCo activities. Her love of cheering at games and her sharing of jokes and just a sweet, fun person to be around always smiling. On my visits to NOLA I always visited her and Arthur annually even met their son Kennth, learned he and my son Craig were stationed together in AF(small work) not knowing parents knew each other. At our 50 th reunion we shared memories and happy to see her again in so many years. My heartfelt condolences to all of you as you keep in your hearts and memories will stay with you forever and know she is now watching over you from above. Love, Linda Jefferson Henderson, San Antonio TX
