“ I am sorry to hear that your mother passed. Shelly I know how you feel. People have the tendency to say they understand but until you go through it you do not understand. Mrs. Tiny is in a better place. Be strong and God will bring you through. Mickey

“ I will always remember and Love you! You gave me a lot of knowledge and always keep it real and in a calm voice. You could spot bull stuff and people with no good intentions a mile away. I'll truly miss you and know that you are in a better place now. No more pain or worries. REST IN PEACE! GONE BUT NEVER FORGOTTEN!
