“ It have been five years since you left us on August 11, 2015. We miss you Fat, but one thing about you dont the worries of this old world any more. There has been so many people has left this place since you. I think of you every day and wish that you were here with us, but God had other plan. God knows best. I am Holding on to God Unchanging hands and he has been there for me since you left here. We loved you but God loved you best. I hope you and Herman meeting again, but I do know that when I get to heaven you Herman and I will meet and all the others people that has left this wicked place. With love all of us, Liz, Timmie, Bo, Ann, Norell, Anthony, Jonah, Drell Samuel and Tony. Ok Fat I guess I will see you over there in that new land. Where there is no more trouble. Love you. Until we meet again. Liz

“ My God it will be three years on 08/11 that you left us. We miss you so much, but we knew that God love you best. Everyday I thing about you and Herman. Now that Catherine is gone I think about her too. Lord know that I LOVE YOU, I hope that I would have left you first , but Fat you beat me. I am ok with that now, but I am looking forward to meet again. We all miss you and Herman. I have been trying to keep the family together, but it has been hard, so I do what I can. You was the best single mother that I knew on this side of heaven. We never went to bed hunger. You provided protect and love us. We will never forget you Fat. When I get on the other side we will have a good time. Love you Liz and the whole Bernard family.

“ Liz, there is no sorrow that God can not heal. To the Bernard family, you are in my prayers. God will carry you through this difficult time. Just trust and hold on to God's unchanging hand. We are only here for a moment but we are with HIM for eternity.
