“ My fondest memories of Dorothy were when we would tail gate traveling to and from the Southern Regionals of the Young People's Department . We both drove Cadillacs loaded down with children and of course Sandradee and we would talk to each other on the CB Radio. "Breaker Breaker 4 Wheeler Lady". Need to gas up at the next exit. We often laughed and shared memories of those days. I shall miss her dearly. My prayers are with you Sandradee and family.
