“ *I remember this really kind and understanding lady from a LONG time ago. I was touched to hear that she has gone to her glory. My condolences go out to her family as they should rest assured and take comfort in that she has entered the house of the Father.*

“ *I am honored and blessed to have known such a beautiful person. In her presence, I always felt welcome. She was such a well loved lady by all. To my friend Rhonda and family, I know you will miss her dearly. There is an empty feeling in your heart that may never be filled. Keep praying as I will keep praying for all of you. Earth has no sorrow that heaven cannot fill.*
