“ Just laying down thinking about U Dorothy.. So, used of U calling me to give U your medicine. Or when I walked N the door U will said Kisha, Take me a bath. Mom, just wiped me down. I know that U just wanted me to give U a bath with my Dove Body wash.. I just smile. U just wanted to smell good.. Or U wanted to go to Wal-Mart, Or Furniture Store.. Or 2 go shopping for the kids.. I missed U.. Also, miss U talking crazy.. U was Dorothy, the whole way through.. That's what I missed.. Dorothy, believe me. I told U that I wouldn't fuss with your siblings. It's hard. & It wouldn't be me. But, I will try to walk away.. Also, I will take care of Your wishes.. I will not rest.. Kids & Mom, are good.. They all miss U.. I just don't know why this had 2 happy 2 U.. After, everything is Good. U will be able to rest.. Tell Emmitt, I said what up ? Let him know that I got his Mom back.. She missed The whole family's.. Be good.. Luv Always.

“ I can't believe it's been a month already. If somebody would have told me this would happen a year ago I would believe it. But Jesus my sister is dead. I'm trying to let go but it's so hard to say goodbye to someone you have known your entire life. Took baths with, shared a room with. This is not right. When they gone find a cure. Love always,  
From your big sister
