“ Very saddened to hear of Earl Johnson's passing. We worked together on the NOPD. He was a fantastic person to work with, full of fun and great stories. We always seemed to do our inservice training together every year. He was one of the best officers on the department and a great friend. Blessings and prayers for him and his family.

“ Earl,

*I was shocked and saddened to hear of your sudden departure. I know you to be a man of faith so I am uplifted knowing that your soul is anchored in the Lord.*

*I will always remember your smile, laughter and warm greeting whenever we would see each other. As one of your FTO's in the 3rd district, I remember the joy of you had in becoming a police officer. Glad you made it to 20 years.*

*FYI, I forgive you for slamming my hand in the trunk of the car! Rookie mistake (LOL)*

*Tara and family, take comfort in knowing that Earl was a good person with a big heart and will definitely be missed.*
