“ *A Letter To My Neighbor Mom,
I'm crying my eyes out this morning for as God led me to this page. I was reading the newspaper and I for whatever reason was led me to read the obituary and look who I see. The sweetest woman a neighbor could ask for we had just talk with each other and you told me you were doing fine and eating right. I will miss our talks and your advice to me as we connected the minute we meet. Thank you for being there for me and spending time with me you are forever going to be miss but the memory will linger in my heart. I'm hurting that I just found this out and wasn't able to see you for the last time. So take your rest Mom King may God Bless Your Soul*
