“ I started working with Mr. Eddie only 4 years ago, but in that short span of time he became family to me. Every morning I could count on Mr. Eddie to have an encouraging word, a story to share, an opinion on the ball game the night before, and definitely a smile. Thoughtful and generous, he gave his time when he could, his ear when someone needed him to listen, and a hug when you just needed someone to care. His positive nature was an inspiration to me and to so many others that called him a friend. I miss our morning talks and just seeing that smile...but I am certain that he will continue to inspire and to look out from above for those of us who were lucky to be his family and friends. Rest peacefully my friend.
