“ Hi, I suspect I have an old jazz record with Eddie's name on it? I don't know no of the gentleman and I've never met him, but I took it upon myself to google the name Eddie Williams jr. and ran upon this obit! I dont know, but I suspected I have a jazz record of his with his name stamped on the back? So, if was his record, I'll just say, he had great taste in music! My belated condolences, RIP.

“ My condolences goes out to the family and friends of Eddie Williams. Losing a loved one is never easy. We all want to spend our lives with the ones we love and death gets in the way of that. But what brings me comfort is Acts 24:15 where it says there is going to be a resurrection. So it's reassuring to know that I will be able to see my loved one again and so can you. I hope this has comforted you and may your loved one rest in peace.
