“ I am very sorry to the family for this loss they are suffering. I hope a passage at John 5:28, 29 will give comfort during this difficult time. Your entire family will all be in my prayers.

I have known Edgar for more than 68 years. We attended F. P. Ricard in our beginning school years. You have my sincere sympathies for your loss. I always considered Edgar a friend during our school years and afterwards. I left New Orleans in 1952. Edgar attended school during the same time that Ellis Marsalis did. I lived at 2604 Louisiana Avenue beginning in 1948 until I joined the military in 1952. On occasions when I returned to see my mother and dad I ran into Edgar. My dad was a saxophonist with Dave Bartholomew in his initial startup with his band. My mother Alma Hall printed programs for many of the Baptist Churches in News Orleans.
