Elaine graduated from George Washington Carver Senior High School in 1965 and went on to attend Southern University in New Orleans. Early in life, she met Eddie Marsh Jr. They made a commitment to God and each other to be husband and wife on December 4, 1971. They went on to have two sons. As a mother and wife, she was generous, loving and kind; full of smiles and

laughter, always doing great deeds.

Elaine was employed by Louisiana State Determination Service as a Disability Examiner, where she reviewed medical and health records, conducted interviews and evaluated applications to determine an applicant's eligibility for disability benefits and programs.

Elaine was a follower of the teachings of Christ. She was a faithful woman who loved the Lord, her family, church and community. Her passions involved caring for her dad and participating in community activities. She was an avid reader and enjoyed doing cross word puzzles. Elaine loved and enjoyed baking you name it she would bake it. She loved spending time with family and friends and was known for her infectious laugh and kind heart.

Elaine embraced every moment of change with an open mind. Failures became opportunities. Setbacks were times to regroup. Elaine was a beautiful person inside and out. She was private and quiet but also very witty and fun. Sensitive and incredibly passionate, she cared deeply for the people around her.

Elaine was truly a great woman whose impact will be forever felt by her family that loves her dearly. She was a selfless woman whose passing leaves unfillable gaps in the hearts of her loved ones. Her ability to sacrifice, provide, support, forgive and love will be forever engrained in all she knew. We are so grateful for the time, laughter, and love we've shared with her.

Elaine you are in our thoughts and prayers. We cannot put into words how much we will miss you but know that you are going to a place much better than here, where you will be treated like the angel you are. May the angels lead you into paradise.
