“ To the Cloud Morris family with deepest sympathy in the loss of you love one. I am praying for the family. Hold to God's unchanging hand I promise he will see you thru this. I always heard Diane talk about her Aunt Nora. Diane always talk about her auntie. Diane just remember all the times and laugh you share with Aunt Nora. When I talk with Diane I always ask how is aunt Nora doing. When Diane text me and told me that she passed my heart went out to her, because I know that she was going to be crying, so we just kept text each other. Just remember all the times each and everyone share with Aunt Nora. To her children I am praying for you all that God give all of the strength to go thru this. Keep the faith and you will make it. From what I heard from you cousin Diane she was a beautiful person. Love you all. Liz Bernard and the whole Bernard Bradley family.
