LD

“ To my Dear Niece, Nephews, and family, I am deeply sorry that circumstances will not allow me to be there with you at this difficult time. I know, that you know, how much I love you, and most of all, Eloise, my Dear Sister-in-Law knew how much I love her. When we talked a month ago, we re-scheduled our plans to get together for dinner and she promised to prepare one of her wonderful home cooked meals. As I have told her, over the years, she is the reason that I started eating black-eyed peas. This was our secret because I thought that her cooked black-eyed peas were the best I had ever tried, and never told my mother (smile). They can now talk and laugh about me together in heaven. The gift (cup) she gave to me, two years ago, I still use and will cherish it for the rest of my life. I know that I will see her again, and oh what fun we are going to have, to no end. Let's thank God for all the years we had her beautiful smile and caring personality. Rest in Peace my friend.
