“ Emelda as I affectionately call her “Mel” was my coworker, but became like a big sister to me. She had such a loving, kind caring Christ like spirit . We became as close as real siblings could be. She embraced our friendship until the end.  
I’m so grateful to God for our relationship and shall forever cherish her memory in my heart. To Diane, Deuce and Shayna remember her always as the loving mother and grandmother, she was a special jewel.

“ To the family & friends ~

*I learned of Emelda's passing just a moment ago and was indeed saddened. I knew her as a co-worker but also as a very sweet lady who adored her family. She shared many sweet stories about her children and loving husband. Emelda had such pride in herself, a true lady whom I will never forget. Life has served her well.*
