“ Always enjoyed talking with Eric at work. What would start as a ‘hello- how you doing’ would always end up in a conversation from one topic to another and somehow he would squeeze in a request for you to make go. brownie or cookies. Eric was always there when you needed something and took great pride in his work. You have some big shoes to fill and the absence your presence will be felt for some time. It feels surreal that you’re not here anymore- God bless you and may you Rest In Peace.
